Pond Oasis™ is a brand of water treatment products developed by the Surface Water team at Lonza, a global leader in life sciences. Committed to **QUALITY**, our team of biologists and chemists have developed the Pond Oasis™ brand to become part of our trusted water treatment product line.

The products are supported by our highly-trained Customer Care Center, available for technical assistance 7 days a week at 1-800-558-5106, and the Alpharetta **INNOVATION** & Technology Center (AITC). The AITC is over 65,000 ft² of space dedicated to: innovation and process technology, new chemistries and applications research, Good Laboratory Practices (GLP) certified analytical labs, and supporting quality in current products.

The company's focus on **SAFETY** helps us deliver relevant precautions and contact information. In case of an emergency call 1-800-654-6911.

Pond Oasis and the design logo are trademarks of Lonza or its affiliates.

Product Lineup

Algaecide

Effectively controls a broad range of algae.
Fast results - visible algae reduction in 24 - 48 hours

Dose: 0.32 - 5.31 gallons per acre-ft, depending on species and abundance
Active Ingredients: Chelates of copper citrate...12.5%;
Chelates of copper gluconate...12.9%
Contains 5% elemental copper

Shoreline Plant Control

Dilute and spray on marginal weeds and woody brush for down-to-the-root kill
Water can be used immediately for fishing, swimming or irrigating

Dose: 0.7 to 3.3 gallons per acre, depending on species, see label for details
Active Ingredient: Glyphosate...18.0% plus surfactant

Blue Pond Colorant

Tints water a pleasing aqua blue by pouring around the edges
Allow several hours for dispersal before swimming, irrigation or fishing
Will not harm fish, waterfowl, pets or wildlife at recommended dosage rate

Dose: 0.25 gallons per acre-ft
Ingredients: Acid Blue 9 Dye

Aquatic Plant Control

Dilute and spray for broad range of underwater, floating and marginal weeds in and around still lakes, ponds and ditches

Dose: 2 to 10 gallons per acre, depending on species
Active Ingredients: Diquat dibromide...8.53%

Always read and follow product label.
